Your site fees cover 6 nominated people. All others will be charged at the visitor rate of \$15 per adult and \$10 per child, infants 0-2 years free. This includes day visitors – that is, any persons who stay on the site longer than 4 hours in any one 24 hour period. Please have your visitors register at reception during office hours. - Earth leakage device (RCD)
- Smoke alarm to meet new 2011 regulations.

Your van must be insured including a minimum \$10 million public liability component. An office copy of the "Certificate of Currency" is required annually.

Awnings

Any construction other than the van and annexe particularly any combustible awning such as canvas, blue plastic or similar must be removed from the site when the van is purchased to reduce the risk of fire hazard in the park.

A parking space is provided for 1 vehicle ONLY. A second vehicle may be permitted only if it's parked wholly on the site. A trailer or boat are counted as a vehicle.

Sale of Vans On-Site

Management reserves the right to refuse consent to any proposed sale of any caravan or relocate-able onsite in the park. Any sale and ongoing occupancy shall be subject to the expressed written consent of the proprietor.

Site Orientation

It is recommended that a site orientation with Park Management be carried out before any money is exchanged on van purchases within the park. The orientation will cover all aspects of owning a van such as car parking, boat storage, alterations to the site, visitors, etc. Due to high weekend trade and staff workload, the site orientations can only be conducted Monday – Friday during normal office hours. (Please contact the park to arrange this time in advance). For any exchanges without completing the orientation, the new van owner will need to meet with management on-site for a site orientation within 14 days of the purchase date.

Pets

Pets are **NOT** permitted in this park, including visitor's pets.
